

New Bedford TSS:

A 36-bed transitional co-ed program that bridges the gap between detox and step-down services to residential after-care.

Services include

- Psycho-educational groups on substance use & recovery skills, relapse prevention/management, life skills, health/wellness & more
- Opioid overdose prevention
- Assisting clients on or seeking medication assisted treatment
- Monitoring client self-administered meds
- Referrals to recovery-oriented settings, (residential rehabilitation services, supportive transitional and/or permanent housing programs, or community-based treatment and/or recovery services)
- Orientation to self-help programs
- Recreational activities

For admission, call

High Point's 24-hour central admissions:
